Employee Information
For Michigan Department of Education
Register of Education for Personnel (REP)

Districts are required to report all school personnel to the Michigan Department of Education through the Registry of Educational Personnel. This requirement is a result of the recent School Safety Legislation (2005 PA 129-131,138) that went into effect on January 1, 2006.

The following information is requested from you for the full and accurate reporting of your record. We have your permission to release this information to the districts upon their request.
